

**LETTER IN-LIEU OF ELECTRICAL INSPECTION**

(May ONLY be used for State of Indiana buildings, Federal buildings, services on railroad property, or where the authority having jurisdiction is not under the authority of the Indiana Fire Prevention and Building Safety Commission)

**Customer or Project Name:** \_\_\_\_\_

**Service Address:** \_\_\_\_\_

**City / Town:** \_\_\_\_\_

**IMPORTANT NOTICE**

It is the customer's responsibility to assure that all facilities on the customer's side of the point of delivery of electricity are maintained in safe operating condition. This responsibility includes assuring that the customer's electrical facilities comply with all local construction codes and safety standards. Customers should coordinate this responsibility with their architectural and engineering consultants, construction contractors, or subcontractors, as appropriate, before their electrical systems are energized. Failure to do so may result in injury or damage resulting from unsafe conditions. The Indianapolis Power & Light Company is not responsible for unsafe or non-compliant conditions on the customer's side of the service point.

**Customer's Certification of Readiness**

The undersigned customer or its authorized representative do hereby certify to Indianapolis Power & Light Company and agree that:

1. he has read the foregoing notice and fully understand the customer's obligations for operating safety;
2. he has conferred with the architect, engineering consultant, general contractor, or subcontractor(s), as applicable and appropriate, responsible for the design and construction of the facilities, to verify that the electrical systems on the customer's side of the point of delivery have been constructed to the best of their knowledge in compliance with local construction and safety standards (including, for example, the Indiana Electrical Code);
3. he has determined and confirmed to the best of their knowledge that the electrical systems do in fact comply with these local construction and safety standards;
4. he understands and agrees that in reliance of these representations, Indianapolis Power & Light Company has agreed to energize electric service to the customer's service entrance section at such facilities;
5. he assumes full responsibility for any and all damages and injuries that may occur to the customer's property, employees or members of the public or other third parties as a result of conditions on the customer's side of the point of delivery at the service address noted above; and
6. he hereby releases Indianapolis Power & Light Company from any and all damages, or injuries that may result as a result of the electric service provided by the Indianapolis Power & Light Company provided that the service meets the applicable requirements of the National Electrical Safety Code (NESC) and the standards of the Indiana Utility Regulatory Commission.

If not the owner/customer, I certify that I have the owner/customer's permission to act in his stead.
