Reference	Change	Date changed
GB0-010	Revise Drawing	8/1/03
GB0-030	Revise Drawing	8/1/03
GB0-100		
through	Update drawings which include the deletion of GB0-150	8/1/03
GB0-180		
New	Add, "Inspection For Electric Service" including a new "Letter in Lieu of	8/1/03
Section 102	Electrical Inspection"	
Section 115	Changes in responsibility are reflected in the changes to the first paragraph	8/1/03
New	Changes in responsibility are reflected in "Converting from Residential	8/1/03
Section 117	Overhead to Underground Service"	0/ 1/00
New	Changes in responsibility are reflected in "Relocating the Residential	8/1/03
Section 118	Service Point or Cable"	0/1/00
Section 125		
GB4-010	To meet the requirements of the NESC, we have changed the attachment	8/1/03
GB4-020	heights of service drops from 11 feet to 13.5 feet	0/1/00
GB4-030		
Section 176	Rewrote to make the section on Duplicate Facilities more clear	8/1/03
New	Interconnecting Secondary Multiple Services is addressed	8/1/03
Section 177	, ,	0/1/00
Section 180	Attachment permits for power conductors and communications cables on	8/1/03
	some Company poles	0/1/00
New	Customer Grounds are not permitted in the Company facilities	8/1/03
Section 182	1 1 1	0/1/00
Section 205	Multiple changes removes some restrictions and permits 3000 ampere	8/1/03
	service at 480Y/277 volts	
	Multiple changes for underground distribution and services, conduit	
Section 220	requirements, clarification of service cable installation to equipment,	8/1/03
000	possible wrap around service cable installation to multi-family dwellings,	G, 1, GG
	and define "truck accessible"	
	Rewrite "Primary Service - Other Than Networked Service Area" to clarify	
	and to add some new requirements. Change the location of the meter with	
Part IV	respect to the service; delineate the division between Company and	8/1/03
	customer ownership of facilities for overhead and underground services,	G/ 1/ GG
	and set rules for interconnecting multiple services at primary voltages, plus	
2 11	a requirement to take the Company's neutral.	0.11.10.0
Section 500	Add a second paragraph	8/1/03
Section		0///0=
505D and	Add a paragraph to the end of each section	8/1/03
505D		
Section	Add new subsection B and move the rest down one letter	8/1/03
515B		5, 1, 55
Section	Add new subsection E and move the rest down one letter	8/1/03
515E		
Section 520	Change the second paragraph	8/1/03
Section	Add an additional paragraph after the two exceptions	8/1/03
520A		
Section 530	Rewritten to eliminate duplicate material	8/1/03

GB6-060	Drawing obsolete - remove and discard	8/1/03
GB7-060	Changed Table	8/1/03
GB0-120	Changed personnel's areas of responsibility	10/13/03
GB0-130	Changed personnel's areas of responsibility, will be effective on 11/1/03	10/13/03
TOC	Changed Pages II & VI, added sec 557 & deleted Dwgs GB3-031 & GB3-032	1/19/04
Section 102	Made changes on page 2	1/19/04
Section 220A2D	Made change on page 14	1/19/04
Section 230	Changed an incorrect reference in the Indiana Electrical Code	1/19/04
Section 515J	Added requirements after "See Section 530."	1/19/04
Section 526	Changed the requirements in the second paragraph.	1/19/04
New Section 557	Added a new prohibition at the meter fitting.	1/19/04
GB0-110	Changed an engineer's territory	12/19/03
GB0-130	Changed territory assignments	10/14/03
GB3-095	Changed requirements in note 3	8/5/03
GB5-020	Changed requirements for conduit stubbed down from the meter fitting at the foundation	12/18/03
GB5-030	Changed requirements for terminating riser conduit at the base of a pole	1/16/04
GB5-040	Changed requirements for conduit stubbed down from the meter fitting at the foundation	12/18/03
GB5-070	Added note 4	12/19/03
GB5-110	Corrected a note on the drawing	12/19/03
GB6-030	Corrected the requirements for the knockouts for the company conduits	12/19/03
Section 520	Added a new third paragraph	4/2/04
Section 220A3b	Changed the number of permitted conduits for 1 phase fiberglass and 3 phase concrete transformer pads	4/2/04
GB1-110	The drawing has been redone into a new configuration.	3/23/04
GB3-028	PTs have been removed	3/23/04
GB3-029	PTs have been removed	3/23/04
GB3-030	PTs have been removed	3/23/04
GB3-032	New drawing	3/23/04
GB3-033	New drawing	3/23/04
GB3-095	Removed 120/208 volt	3/23/04
GB3-096	New drawing	3/23/04
GB5-040	Added a reducing adapter	3/23/04
GB5-110	Changed meter fitting stock numbers	3/23/04
GB7-020	Added clearance dimensions	3/24/04
GB7-030	Changed number of permitted conduits and added clearance dimensions	3/24/04
GB7-040	Changed number of permitted conduits and added clearance dimensions	3/24/04
GB3-031	Drawing obsolete - remove and discard	4/2/04

Table of major changes to the Goldbook

Minor and editorial changes may not be listed, also, the district maps (GB0-XXX) will normally not be listed

Chairman, Tom Pottschmidt

Secretary, Cha Secretary, Charlie Eldridge

Reference	Change	Date changed
Pages iii & iv	Added Wrecking and Removal phone numbers and active hyperlinks.	3/16/04
Title page	Change revision date for the Goldbook	6/23/04
Section 102	Made changes on page 2	6/23/04
GB5-085	New Drawing	6/10/04
GB7-020	Revised drawing to show it is for maintenance only	6/10/04
Title page	Change revision date for the Goldbook	9/1/04
GB0-030	Made additional changes to the requested information page	8/26/04
GB7-060	Added information to the note at the bottom of the drawing to explain the intent of the information provided.	8/26/04
Web Page	Added a link at the bottom to indicate the NESC clearances over and around a swimming pool.	9/1/04
Title page	Change revision date for the Goldbook	12/15/04
GB0-100	Updated	11/19/04
Section 400K	New section	12/15/04
GB1-070	Removed the parentheses from the 2nd line in the title	11/19/04
GB1-140	Removed the parentheses from the 2nd line in the title	11/19/04
GB3-015	New drawing	11/18/04
GB3-021	New drawing	11/18/04
Title page	Change revision date for the Goldbook	12/22/04
Page vi & vii	Add Putnam County Inspector and remove Charlie Eldridge	12/22/04
Page 2	1st paragraph has been removed concerning inspections in Putnam County	12/22/04
Title page	Change revision date for the Goldbook	12/31/04
GB0-100	Change of territory boundaries	12/22/04
GB0-160	Change of territory boundaries	12/22/04
Title page	Change revision date for the Goldbook	2/4/05
GB0-100	Change of territory boundaries for Kristi Throm and Norm Schoppenhorst	1/27/05
Title page	Change revision date for the Goldbook	3/16/05
Section 300c	New sub-section for downtown area	3/16/05
Section 305C	New sub-section for downtown area	3/16/05
GB1-075	New Drawing	3/7/05
Several Drawings	Revised an internal stock number or changed the formatting of the drawing. These are not included in the change package but are in the combined PDF files such as the entire Goldbook and the GB0 series of drawings. The drawings are GB0-010, GB0-020, GB1-030, GB1-080, GB1-130, GB1-140, GB5-090, GB7-060, and GB7-090.	2/4/05
Title page	Change revision date for the Goldbook	6/10/05
GB0-120	Changed territory assignments	4/19/04
Section 102	Remove the paragraph about inspections in Putnam County. All areas that IPL serves now have an authority having jurisdiction and inspections are required for service except as noted in Section 102.	6/10/05
Section 103	New section	6/10/05

Reference	Change	Date changed
Section 176	Dropped "Rates" from "Rules and Regulations"	6/10/05
Section	Added the definition of what "balanced and nearly as possible" is intended	6/10/05
205C	to mean	0/10/03
Section	Added the definition of what "balanced and nearly as possible" is intended	6/10/05
205E	to mean	0/10/03
Section	Added the definition of what "balanced and nearly as possible" is intended	6/10/05
205F	to mean	0/10/03
Section	Delete section, IPL uses connector blocks that can take a wide range of	6/10/05
220A1f	conductors	0/10/00
Section	Added a new requirement to protect the integrity of the fiberglass	6/10/05
220A3a	transformer pads	0/10/00
Section 300K	Correct the reference to the Indiana Electrical Code	6/10/05
Section 400G	Dropped "Rates" from "Rules and Regulations"	6/10/05
Section 535	Dropped "Rates" from "Rules and Regulations"	6/10/05
GB1-050	Changed the IPL stock number	6/3/05
GB1-110	Added notes 8 & 9 plus improved the drawing to make it more clear	6/3/05
GB7-030	Added note 8	6/3/05
Title page	Change revision date for the Goldbook	7/8/05
GB0-100	Changed territory assignments	7/5/05
Title page GB0-120	Change revision date for the Goldbook	9/15/05
	Changed territory assignments Added dimensions to the conduit locations	9/15/05
GB1-110		9/15/05
Title page	Change revision date for the Goldbook	12/9/05
GB0-020	Removed bad phone numbers	10/31/05
Page v	Revised Unigov information	12/9/05
Page vi	Moved Shelby County to Page vii	12/9/05
Page vii	Added Putnam County & removed Charlie Eldridge	12/9/05
Section 220A3	Change sub-section e to f	12/9/05
Section 300(c)	Dropped wye from the end of the statement	12/9/05
Section 305C	Dropped wye from the end of the statement	12/9/05
Section 512	Added a new section	12/9/05
Section 515K	New sub-section	12/9/05
Section 565G	Removed the old sub-section G	12/9/05
GB6-015	Added a new drawing	10/27/05
GB7-060	Fix typo (see carrot on dwg)	12/15/05
Title page	Change revision date for the Goldbook, added Kevin Walker, and removed Jeff Whittington who was promoted	7/10/06
Page iii	Corrected the URL for the location of the Goldbook	7/10/06
Page v	Updated the Unigov and Beech Grove AHJ data	7/10/06

Reference	Change	Date changed
Page vi	Updated the Lawrence AHJ data	7/10/06
Pages II, VI,		
VII, IX, and	Updated the Table of Contents	7/10/06
GB0-040	New Work Management sheet. When meeting with the Company's Project Designer, the Project Designer will be able to use this sheet to tell you when the Company's work will be performed	4/24/06
GB0-100	New Distribution Engineering District Map. The Project Designer's districts have been redefined. There are now three distinct areas with Dan Davenport the Section Leader of the North area, Ron Morris the Central area, and Tim White the South area. System Improvements are mostly internal or with other utilities and government agencies. This map will be effective on 7/17/06, prior to 7/17/06; the existing GB0-100 will remain in force.	7/17/06
GB0-140	New Construction and Maintenance Map. These areas have been redefined to the North, East, and West districts. Included are the Construction, O & M (Operations which includes the trouble crews and Maintenance), and the Work Schedulers	6/29/06
GB0-160	New Residential Service and Small Commercial Installations District Map (Service Connections). The entire Company service area is covered by each of these people	7/3/06
GB0-170	New Street Lighting District Map (and area lighting)	7/6/06
Section 176	Corrected and added links to the riders to the tariffs, and to all of the tariffs	7/10/06
Section 176B	Defined what the Company's duplicate facilities are to consist of and further define hospital	7/10/06
Section 205D	New section	7/10/06
Section 205E	Changed from 205D	7/10/06
Section 205F	Changed from 205E	7/10/06
Section 205G	Changed from 205F	7/10/06
Section 220A2d	Second and third paragraphs, add the requirement for a pull string to be installed	7/10/06
Section 220A2e	Add the requirement for a pull string to be installed	7/10/06
Section 220A2f	First bullet point, change the dept of frozen ground from 18 in. to 6 in.	7/10/06
Section 220A2g	Add the requirement for a pull string to be installed	7/10/06
Section 220A2j	Second bullet point, add the requirement for a pull string to be installed	7/10/06
Section 400G	Corrected and added links to the riders to the tariffs, and to all of the tariffs	7/10/06
Section 512K	Added a reference to Section 560R	7/10/06

Reference	Change	Date changed
Section 515J	Added a reference to Section 560R	7/10/06
Section 535	Corrected and added links to the riders to the tariffs, and to all of the tariffs	7/10/06
Section 560G6	Add the requirement for a pull string to be installed	7/10/06
Section 560R	Added a requirement that meters in a locked area must have an IPL key access; keyless entry is not acceptable.	7/10/06
Section 565D	Added a reference to Section 560R	7/10/06
GB1-050	Redrawn so the drawing matches the meter fitting we issue	5/9/06
GB1-100	Redrawn so the drawing matches the meter fitting we issue	5/9/06
GB3-060	Drawing of a new meter cabinet	6/27/06
GB3-070	Drawing of a new meter cabinet	6/27/06
GB3-080	Drawing obsolete - remove and discard	7/10/06
GB3-085	Drawing of a new meter cabinet	6/27/06
GB3-090	Drawing obsolete - remove and discard	7/10/06
GB3-095	Drawing obsolete - remove and discard	7/10/06
GB3-100	Drawing of a new meter cabinet	7/6/06
GB3-105	Drawing obsolete - remove and discard	7/10/06
GB3-110	Drawing obsolete - remove and discard	7/10/06
GB4-010	Changed 70 ft to 60 ft for the maximum distance for a 400 ampere service drop (4/0 cable)	6/27/06
GB4-020	Changed 70 ft to 60 ft for the maximum distance for a 400 ampere service drop (4/0 cable)	6/27/06
GB4-030	Changed 70 ft to 60 ft for the maximum distance for a 400 ampere service drop (4/0 cable)	6/27/06
GB4-040	Changed the point of contact to 13'-6" minimum	6/27/06
GB4-060	Changed 70 ft to 60 ft for the maximum distance for a 400 ampere service drop (4/0 cable)	6/27/06
GB5-090	Changed drawing to apply to single phase applications only	6/29/06
GB5-095	New drawing to apply to three phase applications	6/29/06
GB7-020	Added verbiage to indicate the reason 10 ft of clearance is needed on the front side of all transformer pads	6/27/06
GB7-030	Added verbiage to indicate the reason 10 ft of clearance is needed on the front side of all transformer pads	6/27/06
GB7-040	Added verbiage to indicate the reason 10 ft of clearance is needed on the front side of all transformer pads	6/27/06
Title page	Change revision date for the Goldbook	11/20/06
Section 175	Rewrote and renamed the Section to include Distributed Generation, Interconnected Operation, and Non-interconnected Operation	11/20/06
Section 300	Added 208 volt single phase	11/20/06
Section 305	Changed and rewrote the Section	11/20/06
GB0-100	The Project Designer's districts have been redefined in the Central District	9/18/06
GB0-115	New Distributed Generation Contact Information	10/9/06
GB0-120	Change of Account Management Districts	9/19/06

Reference	Change	Date changed
GB0-140	Redrawn Construction and Maintenance Map. These areas have been redefined with new district names. Included are the Construction and the Work Schedulers as well as the CBD (Central Business District)	9/8/06
Title page	Change revision date for the Goldbook	6/18/07
Section 175	Provided links for more information and forms plus a reference to the contact information on GB0-115	6/18/07
Section 526	A statement to show that on some rare occasions; there are the possibilities of an exception to this section.	6/18/07
GB0-100	Change Kristi's last name to Lamb, remove Roscoe Chapple's name for his retirement, and change the titles of the sections to more closely reflect the functions (Customer Project Engineering, Major Overhead Projects, and Major Underground Projects).	6/13/07
GB1-115	Note 6, MAYBE should have been MAY BE. This will not be included in the change package.	7/25/96
GB4-070	Change 8' Min to 10' Min to meet the change in the 2007 NESC Rule 234C3d1.	6/11/07
GB4-080	Change 13'-6" to 14'-6" and 16'-9" to 17'-9" to meet the 2007 NESC Table 232-1, Line 5, Open supply conductors over 750 V to 22 kV. Change 24' to 18'-6" and add note 6.	6/11/07
Title page	Change revision date for the Goldbook	8/21/07
GB0-100	Remove Charlie Eldridge's and Marshall Franklin's name, add Casey Shull's name, and revamp territory boundaries.	8/1/07
GB0-110	Add Marshall Franklin's and Rick Leffler's name and revamp territory boundaries.	8/1/07
GB0-140	Remove Rick Leffler's name, correct Mike Lee's phone number, and revamp territory boundaries.	8/16/07
Title page	Change revision date for the Goldbook	9/25/07
GB0-100	Personnel and boundary changes	9/17/07
GB0-140	Personnel changes	9/14/07
Title page	Change revision date for the Goldbook	12/11/07
Page iii	Added Easements and Transmission Line Engineering, changed Standards Engineering to Standards, Code Compliance, & Quality Control, and added the Customer Service Center	12/11/07
TOC	Added 3 Sections and 4 Drawings	12/11/07
New Section 112	This Section is to meet NFPA 70E PPE requirements	12/11/07
New Section 181	Easement Encroachments	12/11/07
New Section 225	Requirements for covering, enclosing and painting of pad mounted equipment such as transformers, pedestals, and switchgear	12/11/07
Section 300	Added the limited availability of 1>, 120 volt, two wire in the downtown area	12/11/07
Section 305A	Added the requirements for receiving 1 ≥, 120 volt, two wire service in the downtown area	12/11/07
Section 560O	Have given an exception to the prohibition of attachments to the IPL meter fittings	12/11/07

Reference	Change	Date changed
GB1-015	New drawing	11/27/07
GB6-040, -050, & -060	Added previously deleted drawings to provide guidance when working with older, customer owned, service junction boxes	2/5/95
GB7-020, -030, & -040	Added guidance to Note 2 to see Section 225	11/29/07
GB7-060	Added a reference to new Section 112 to meet NFPA 70E PPE requirements	11/27/07
Title page	Change revision date for the Goldbook	1/29/08

GB4-070	Added NOTE 5	11/26/08
GB7-060	Updated to reflect the ANSI 10% tolerance for transformer impedances.	12/23/08
Title page	Change revision date for the Goldbook	1/6/09
GB0-100	Personnel relocation	1/6/09
Title page	Change revision date for the Goldbook	3/3/09
Page I	Changed name of GB0-100	3/3/09
Page I	Changed the range of GB1-120	3/3/09
GB0-100	New person in Major OH Projects Engineering	1/21/09
GB1-120	Changed the range in the last line of the title	3/3/09
Title page	Change revision date for the Goldbook	7/14/09
Page v	Updated the AHJ data	7/14/09
Page vi	Updated the AHJ data	7/14/09
Page vii	Updated the AHJ data	7/14/09
Page II	Added TOC item for the Letter in Lieu of Electrical Inspection	7/14/09
Section 520	Added clarity to the requirement of requiring a clear and level working area and that 4 feet is required in front of the meter	7/14/09
Section 520A	Removed a statement that is no longer accurate	7/14/09
GB3-012	Changed the drawing to show the potential jaw and #10 jumper	6/24/09
GB3-013	New cold sequence 480 volt meter fitting installation	7/14/09
GB3-024	Changed the range for the transformer rated metering	8/26/08
GB3-026	Changed the range for the transformer rated metering	8/26/08
GB3-044	New cold sequence 480 volt meter fitting installation	7/14/09
GB4-065	New INDOT pole service	6/23/09
GB4-070	Roof structure for 480 volts service drops	6/23/09
GB4-075	Roof structure for up to 300 volt service drops	6/23/09
GB4-080	Roof structure for up to 13.2 kV service drops revised to the current NESC	5/5/09
GB5-070	Knockouts are no longer permitted in transformers and pedestals	6/23/09
GB5-095	Changed Note 2 to add clarity	6/23/09
GB5-097	New INDOT free standing service	6/23/09
Title page	Change revision date for the Goldbook	8/11/09
Section	Completely rewrote this section covering the installation of potential	
550B3	transformers in switchgear	8/11/09
Section	Completely rewrote this section covering the optional method for the	8/11/09
550B4	installation of potential transformers in switchgear	
GB4-065	Added the availabity for 120/240 volts for the INDOT pole service	7/17/09

Reference	Change	Date changed
GB4-075	Corrected the title of the roof structure for up to 300 volt service drops and gave permission for the neutral and higher phase to ground to be reversed	7/17/09
GB5-097	Added the availabity for 120/240 volts for the INDOT free standing service	7/17/09
Title page	Change revision date for the Goldbook	10/27/09
Page iii	Change CBD to show that the Network is just a part of the CBD	10/27/09
Page I	Changed the title of GB0-110	10/27/09
GB0-100	Personnel changes	9/3/09
GB0-110	Personnel changes	10/6/09
GB0-140	Changed to indicate the downtown network area is just a part of the CBD	9/15/09
GB7-020	Corrected the reference in Note 8	10/9/09
GB7-030	Corrected the reference in Note 7	10/9/09
GB7-040	Corrected the reference in Note 9	10/9/09
Title page	Change revision date for the Goldbook	12/1/09
Page II	Removed Section 512	12/1/09
GB0-110	Personnel changes and to clarify that new service requests are to be referred to Rick Leffler	12/1/09
Section 105	Added statement	12/1/09
Section 220A2d	Added definition	12/1/09
Section	Added to show how underground temporary services are to be built and	12/1/00
220E	that they will be billed	12/1/09
Section 510	Added a statement to indicate that all metering will be installed on the outside of all multi-family buildings	12/1/09
Section 512	Removed this section in its entirety without substitution	12/1/09
Pages 26A and 26B	Remove and discard both of these pages	12/1/09
Section 560B	Removed the requirement for #10 wire.	12/1/09
Section 570	Reference to rigid conduit definition	12/1/09
GB1-070	Removed the requirement for #10 wire.	11/16/09
GB1-075	Removed the requirement for #10 wire.	11/16/09
GB1-140	Removed the requirement for #10 wire.	11/16/09
GB3-012	Removed the requirement for #10 wire.	11/16/09
GB3-013	Removed the requirement for #10 wire.	11/16/09
GB3-015	Removed the requirement for #10 wire.	11/16/09
GB3-021	Changed the requirement for #10 wire.	11/16/09
GB3-044	Removed the requirement for #10 wire.	11/16/09
GB4-050	Added reference to rigid conduit definition	11/30/09
GB4-060	Added reference to rigid conduit definition	11/30/09
GB4-065	Added reference to rigid conduit definition	11/30/09
GB4-070	Removed the requirement for PT mounting on roof structures	11/3/09
GB5-020	Added reference to rigid conduit definition	11/30/09
GB5-030	Added reference to rigid conduit definition	11/30/09
GB5-040	Added reference to rigid conduit definition	11/30/09
GB5-090	Added reference to rigid conduit definition	11/30/09
GB5-095	Added reference to rigid conduit definition	11/30/09

Reference	Change	Date changed
GB7-060	Increased some fault currents due to lower impedance transformers	11/21/09
Title page	Change revision date for the Goldbook	2/23/10
Page v	Revised Unigov information	2/23/10
GB0-120	Personnel and boundary changes to match this map	2/23/10
Title page	Change revision date for the Goldbook	4/27/10
GB0-100	Changed territory assignments	4/26/10
Title page	Change revision date for the Goldbook	6/22/10
Forward	Show the addition of new Part VII and the GB8-XXX Group of drawings	6/22/10
GB0-100	Changed territory assignments	6/21/10
Section 175	Added Closed Transition Transfer Switch (CTTS) Operation requirements	6/22/10
Section 177	Added Closed Transition Transfer Switch (CTTS) Operation requirements	6/22/10
End, Part I	Added a signature line to the Letter in Lieu of Electrical Inspection	6/22/10
Section 400E	Added Closed Transition Transfer Switch (CTTS) Operation requirements	6/22/10
Part VII	Added, "Secondary Services Available For Roadway, Safety, Area Lighting And Traffic Signals"	6/22/10
GB4-065	Remove and discard drawing	6/22/10
GB5-097	Remove and discard drawing	6/22/10
GB8-010 through GB8-110	Drawings that are for the use of government agencies only. These drawings go with Part VII, "Secondary Services Available For Roadway, Safety, Area Lighting And Traffic Signals". Drawing number GB8-060 was not used.	6/22/10

Title page	Change revision date for the Goldbook	12/9/14
Page viii	Added Whitestown to the list of Authorities Having Jurisdiction	7/22/14
Page II	Added Section 235 to the TOC for 480 volt cold sequence meter	12/9/14
Page 18	Replace P-18 with P-18A & P-18B to add Sec. 235	12/9/14
Page 27	Change outside the meter room to outside the building	12/9/14
Page 35	Delete Sec. 560B	12/9/14
Page 45	Change to gray 4" rigid PVC conduit	12/9/14
GB1-005	Added requirement for 100 A meter fitting usage & rpl. "bayonet" / "socket"	12/9/14
GB1-110	Added requirement for the minimum size of the insulated bonding jumper	12/8/14
GB1-120	Added requirement for the minimum size of the insulated bonding jumper	12/8/14
GB1-121	Added requirement for the minimum size of the insulated bonding jumper	12/8/14
GB3-013	Require service disconnect on line side of meter for smaller 480 volt services	12/8/14
GB3-044	Require service disconnect on line side of meter for smaller 480 volt services	12/8/14
GB3-060	Added requirement for the minimum size of the insulated bonding jumper	12/8/14
GB3-070	Added requirement for the minimum size of the insulated bonding jumper	12/8/14
GB3-085	Added requirement for the minimum size of the insulated bonding jumper	12/8/14
GB3-100	Added requirement for the minimum size of the insulated bonding jumper	12/8/14

Reference	Change	Date changed
GB8-070	Change to gray 4" rigid PVC conduit	12/8/14
Title page	Change revision date for the Goldbook	6/9/15
Page ii	Change the third paragraph	6/9/15
GB0-025	Add verbiage to include OSHA information	6/8/15
GB0-100	Change Section to Team Leader in five places	6/8/15
GB0-110	Replace Rick Leffler/Dave Lufcy & remove the, CBD Section Leader	6/8/15
GB0-120	Remove Mooresville and Monrovia plus a dividing line	6/8/15
GB0-140	Change Section to Team Leader & move the Arlington/South district line	6/8/15
GB0-160	Change Section to Team Leader	6/9/15
GB0-165	Replace Jerry Aldrich with Terry Grant	6/8/15
Section 102	Require date on the self-certification tag & be more specific on requirements	6/9/15
Section 220	Move 220C to apply to all of 220 and re-letter 200D & 200E	6/9/15
Section 235	Add verbiage from the IPL Rules and Regulations, Section 17.2	6/9/15
Section 400G	Make a clear statement that the Company will maintain ownership of the metering equipment inside the outside primary metering switchgear	6/9/15
Section 515 and 517	Permits meter centers to be installed inside buildings that are nine or more stories high	6/9/15
GB4-050	Three 2" X 6" boards bolted together no longer permitted for a temp service	6/8/15
Title page	Change revision date for the Goldbook	12/1/15
Page iii	Add Line Clearing phone number	12/1/15
Pages v & vi	Major changes to contact information for the City of Indianapolis and several AHJs in the surrounding areas	12/1/15
Page I	Added Section 142	12/1/15
Page VIII	Added Drawing GB4-090	12/1/15
GB0-120	Added Phil Watkins and changed territory assignments	8/24/15
Section 102	Deleted duplicate verbiage and re-lettered list	12/1/15
Section 112	Added clarification	12/1/15
Page 4	Delete Page 4 and add Page 4A & 4B	12/1/15
Page 4A	Repagination	12/1/15
Section 142	Added a new section	12/1/15
Page 9	Making a clear statement that this form may not be used for the "log cabin" statute	12/1/15
Section 235	Relocated some of the text to Section 555	12/1/15
Section 555	Inserted relocated text and revised 555A	12/1/15
GB1-080	Removed Company requirements for the load side of the service point	11/16/15
GB1-090	Removed Company requirements for the load side of the service point	11/16/15
GB1-130	Removed Company requirements for the load side of the service point	11/16/15
GB3-085	Removed Company requirements for the load side of the service point	11/16/15
GB4-090	New drawing	11/17/15
Title page	Change revision date for the Goldbook	6/7/16
Pages v - vii	Changes to contact information for several AHJs in the surrounding areas	6/7/16
Pages IA & IB	Replace Page I so Sections 113, 137, 146 and 183 could be added	6/7/16
GB0-100	Clarifying territory assignments	6/6/16

Table of major changes to the Goldbook

Minor and editorial changes may not be listed, also, the district maps (GB0-XXX) will normally not be listed

Chairman, Tom Pottschmidt

Secretary, Cha Secretary, Charlie Eldridge
